## The Girl's Still

Got It: Take a Walk  
with Ruth

You know Ruth's story. Now meet her in person. And prepare to be changed. Walk with Ruth as she travels from Moab to Bethlehem, certain of her calling, yet uncertain of her future. Hold Naomi's hand and watch love put the pieces of her broken life back together. And hang out with Boaz, their kinsman-redeemer, who blesses both women and honors God, big time. With best-selling author Liz Curtis Higgs by your side, you'll tarry in the corners of their ancient houses, listen to their conversations, and consider every word of every verse until you can say, "I 'totally' get the book of Ruth. And I see what God is trying to teach me through this rags-to-riches redemption story--he has a plan for my life." Girl, does he ever Think of it as time travel without gimmicks, gizmos, or a DeLorean: a novel approach to Bible study that leaps from past to present, gleaming timeless truths that speak to the heart.
